I hope you had a restful evening.  A. Some of it, yes.  Q. My name is Walid Nassar. I'm a colleague of Mr. Lewis, who led the questioning yesterday. I just want to make sure that it looks to you like your expert report.  A. Yeah, I have a copy right in front of me. It does appear to be. Q. Okay, great.  MR. NASSAR: I would next like to put up the rebuttal, your rebuttal report, which is tab 8, and we are going to mark that as Exhibit 1025.  (Exhibit 1025 marked for identification.)

Page 543 1 **KOHLMANN** 2 Q. And "Police officials," in the 3 next paragraph, "say that WAMY has presence 4 in Delhi, Mumbai," I'm not even going to 5 try to pronounce the next city, "Lucknow, 6 Aligarh, besides Hyderabad." And then it 7 said "It had its offices in Mumbai and 8 Delhi which were closed soon after the 9 Centre imposed a ban on SIMI." 10 Did I read that correctly? As best as I could, because I 11 12 can't pronounce Thirvuanathapuram either. 13 All right. So it doesn't state 14 in here, in this article, the point that 15 you cite it for, "The Indian government 16 shuttered WAMY's offices in that country 17 for allegedly financing banned terrorist 18 groups including Laskhar-e-Toiba and 19 Jaish-e-Mohammed." 20 As I read the article, it says 21 that two offices were closed soon after the 22 Centre imposed a ban on SIMI. Would you 23 agree that there is somewhat of a 24 disconnect between your report and the 25 article?

Page 545 1 **KOHLMANN** 2 Q. Did you have any primary or 3 secondary sources or did you consider any 4 primary or secondary sources as to whether 5 any WAMY office in India was ever closed by 6 the government? A I don't think so, but I can't 8 recall, honestly. I might have looked at 9 other sources from within my own archive on 10 this, but I don't recall. 11 All right. But, again, it is 12 our only opportunity to ask you questions 13 about this, and for this proposition, this 14 claimed link, the only source that you cite 15 is this one Times of India article, right? That's correct, yeah, but I 17 can't recall if there are other sources. 18 I -- sorry, I can't recall off the top of 19 my head. This is the only source that I 20 cited. 21 O. The article represents 22 intelligence agencies are planning to 23 submit a report on their findings about 24 WAMY's activities by the city -- or

Page 544 1 **KOHLMANN** 2 MR. HAEFELE: Objection to 3 form. No, I disagree with that. 4 A. All right. Well, certainly 5 6 would you agree that your report seems to 7 indicate that -- well, there is no 8 distinction in your report as to whether 9 any WAMY offices were left open after that, 10 and there is no clarification in your 11 report as that the offices in Mumbai and 12 Delhi were closed soon after the Centre 13 imposed a ban on SIMI, that part of the 14 article did not carry over to your report, 15 did it? 16 MR. HAEFELE: Objection to 17 form. The last part I don't know 19 about. The first part I think -- I think 20 it is correct, I didn't say whether or not 21 other WAMY offices had not been closed,

22 although I don't know that that's relevant

23 to the point I was making. But it is true,

24 I didn't say that there were other offices

25 that might have stayed open, sure.

I don't know that I was ever 6 able to get a copy of that report, no. 7 Was there a report even issued; Q. 8 do you know? I wasn't able to get a copy of 10 any such report, so honestly I can't say 11 whether it was or it wasn't. 12 Are you aware that a former 13 WAMY official has testified under oath in 14 this case that WAMY never had an office in 15 India? 16 A. I am not familiar with that, 17 no. So in preparing your report in 19 this case, you make this factual claim. 20 Did you ever reach out to the plaintiffs' 21 counsel and say well, I'm making this 22 claim, are there any other evidence or 23 information that was learned during 24 discovery that I could use to compare and

WAMY has denied lots 4 true. 5 of things over the years. I just don't 5 So the answer to my question is 6 have any faith in the affirmations made by 6 no, you never asked about this claim, 7 WAMY officials. They have made 7 whether there was any contrary information; 8 affirmations about lots of things that have 8 is that right? 9 turned out not to be true. 9 MR. HAEFELE: Objection to So I think my, you know, 10 form, asked and answered. 11 comparative analysis is based on evaluating A. I think the answer is that I 12 sources that are reliable. Taking the word 12 never asked whether or not WAMY officials 13 of WAMY saying that something didn't, I 13 denied a charge that I would have expected 14 can't, I'm sorry, you know, I -- I didn't 14 them to have denied to begin with. 15 note in here that WAMY said it didn't 15 I mean, again, you know, this 16 is the same thing about asking someone in 16 happen, but I don't know that that's 17 relevant to my analysis because I don't 17 prison whether or not they did it. Of 18 trust WAMY. I don't trust anything that 18 course they are going to tell you they are 19 WAMY says. 19 innocent. That doesn't mean anything. I 20 Mr. Kohlmann, that wasn't my 20 mean, that's what -- this is -- that's not 21 question. My question was simply, and I'm 21 a relevant -- a relevant -- now, if a U.S. 22 government agency or a British government 22 going to ask it again, so please listen 23 carefully, did you ever ask plaintiffs' 23 agency or some other reliable foreign 24 government had come forward and said WAMY 24 lawyers if there was any information about 25 WAMY's offices in India that was 25 didn't have an office there, that is all a Page 548 Page 550 **KOHLMANN KOHLMANN** 2 inconsistent with your information in this 2 lie, dot dot dot, I would be more than 3 Times of India report? 3 willing to consider that, sure, a MR. HAEFELE: I object to the 4 subjective source, sure, of course, sure. 4 Q. 5 form and asked and answered. 5 Mr. Kohlmann --Yeah, I ---Not -- excuse me, Mr. Goetz, A. 6 A. 7 Q. Do you even make the inquiry? 7 again, I've got to finish. If it is from a I think I can answer this again 8 WAMY official denying they did anything 9 which is that I was provided with certain 9 wrong, I don't know that that's something 10 materials. I looked up anything I could 10 that I can rely on. 11 not find. Some materials were unavailable Mr. Kohlmann, would you agree 12 that irrespective of whether somebody is in 12 to me. And as far as WAMY, I don't trust 13 what their officials say, I can't take 13 prison or not, everyone has biases, would 14 you agree with that? 14 those affirmations because they have made 15 those affirmations before and --15 Yeah, absolutely. I think I 16 have said that previously, that all human 16 MR. MOHAMMEDI: That is not
